ПРЕЙСКУРАНТ ЦЕН НА ОКАЗАНИЕ СТОМАТОЛОГИЧЕСКИХ УСЛУГ, ООО "ДЖИ ЭМ ЭС ДЕНТАЛ" PRICELIST FOR DENTAL SERVICES, GMS DENTAL, LLC

"Утверждаю" Генеральный директор Малиновская И.В.

₽	Dental Services
2025	Diagnostics
2020	Diegnosees
3 200	First Dentist Consultation (up to 30 minutes)
5 040	First Top Dentist Consultation (up to 30 minutes)
800	New patient office visit without further treatment plan
2 200	Follow-up Dentist Oral Exam
3 200	Follow-up Top Dentist Oral Exam
19 990	House Call, Dentist (within Moscow Ring Road)
9 990	House Call by Dental Nurse (within Moscow Ring Road)
4200	First Consultation of Chief Doctor of Dental Medicine (DMD)
3200	Follow-up Consultation of Chief Doctor of Dental Medicine (DMD)
4200	First Periodontist Consultaion
3200	Follow-up Periodontist Consultaion
6 900	Extended Dentist Consultation (more than 30 minutes)
3200	Anesthesiologist's Consultation
1 105	X -Ray (per image)
4 660	Panoramic X-Ray
7 980	3D CT scan
3 000	3D CT Scan for endodontic treatment, per tooth
9 500	3D CT scan using artificial intelligence Diagnocat
5 410	Orthodontic X-Ray, Scull
3 800	Calculation of Orthodontic X-Ray, Scull
18 000	Radiology report
22 900	MRI of temporomandibular joint (one joint)
30 800	MRI of temporomandibular joint (two joints)
26 200	MRI of temporomandibular joint with functional tests (one joint)
33 000	MRI of temporomandibular joint with functional tests (two joints)
710	Anesthesia/Sedation
510	Superficial anesthesia
3 000	Local block anesthesia
1 800	Local infiltration anesthesia
2 300	Slipper One anesthesia Nitrous Oxide Sedation (up to 1 hour)
6 615 8 760	Nitrous Oxide Sedation (up to 1 hour)
21 820	Sedation (first 2 hours)
10 600	Sedation (per each following hour)
30 010	Combined endotracheal anesthesia (per hour)
21 930	Sedation using a diffuser (1 hour)
21 730	Preventive Services
10 290	Scaling (upper and lower jaws)
5 920	Scaling, 1 jaw
13 995	Scaling + Air-Flow cleaning 2 jaws
7 330	Scaling + Air-Flow cleaning 1 jaw
19 000	Professional oral hygiene using Prophylaxis Master device
9 500	Professional hygiene before an operation/ during orthodontic treatment
11 125	Professional hygiene after braces removal (per jaw)
10 130	Preventive care procedure Clinpro for sensitive teeth (upper and lower jaws)
4 170	Deep fluoride treatment
370	Fluoride treatment (per tooth)
	Identification of hygiene index, oral hygiene instruction, individual selection of
3 840	hygiene products
450	Scaling (per tooth)
450	Air-Flow (per tooth)
1 580	Microabrasive processing (per tooth)
	Preventive Services (periodontist)
10.000	Professional hygiene before an operation/ during orthodontic treatment by
10 600	periodontist

13 030	Scaling (upper and lower jaws) by periodontist
16 970	Scaling + Air-Flow cleaning by periodontist
14 015	Professional hygiene after braces removal (per jaw) by periodontist
45.000	Teeth Whitening
47 000	ZOOM 4 Professional Teeth Whitening
5 500	Endo whitening (per tooth)
6 250	Dental tray for home teeth whitening set Professional home teeth whitening set
194/0	Restorative dentistry
9 400	Composite 1 surface filling
13 400	Composite 2 surfaces filling
16 500	Composite 2 surfaces filling
15 615	Build-up
6 700	Caries treatment (Icon system, 1 tooth)
21 000	Front tooth composite remodeling
1 040	Temporary filling
1 900	Pulp cap
3 990	Temporary filling (prolonged use)
3 770	Temporary mining (prototiged use)
1000	
1090	Application of an insulating cap (for all forms of caries)
6 800	Fiber post
6 500	Metal post Pubbordom yea
1 000 890	Rubberdam use Removal of an old filling
550	OptraGate use
330	Pediatric Dentistry
5 200	Baby tooth filling (componer)
7 680	Composite 1 surface baby tooth filling
10 600	Composite 2 surfaces baby tooth filling
7500	Oral hygiene (milk/mixed bite), 2 jaws
4 300	Fissure sealing (per tooth)
5 125	Pulpotomy/ Pulpectomy (baby tooth)
1 530	Pulp devitalization, including carious cavity filling (per tooth)
1 530	Impregnation of the pulp, including the closure of cavities with a temporary filling
2 050	Crown part filling after devital pulpotomy
2740	Restoration of the tooth side before endodontic treatment
1 365	Saforide treatment (per tooth)
6 215	Removal of a mobile baby tooth Removal of a baby tooth
7 865 9 450	Removal of a decayed baby tooth
3 640	Stomatit treatment
19 015	Porcelain fused to metal dental pediatric crown
1 435	Grinding on the bite, correction of previously installed restoration
13 310	Metal dental pediatric crown
3 655	Root canal obturation of primary teeth, per tooth
	Endodontics
12 500	Root canal treatment (per root)
4950	Diagnostic root canal treatment
4 900	Root canal retreatment (per root)
5 400	Removal of external matter body from one root canal
5 400	Metal/ fiber glass post removal
6 100	Root canal mechanical and medicamental treatment (separate procedure)
5 500 4 660	Root canal filling (per root, separate procedure) Using of MTA
5 200	Trepanation of pulp cavity through crown
3 500	Temporary one root canal filling
3 300	Laser dentistry
5 235	Laser diagnostics of caries
3 025	Laser Teeth Whitening (per tooth)
1 685	Laser desensitizing (per tooth)
2 000	Laser sterilization of the one root tooth
7 005	Laser treatment per gingival tooth pocket (per visit)
17 570	Laser frenectomy (lip,tongue)
13 030	Laser mucosal overgrowth incision
9 500	Laser gingivectomy
18 010	Laser crown lengthening
29 900	Laser vestibuloplasty
11 910	Laser treatment of pereimplantitis (per visit)
8 205	II ager aboves incision
8 205	Laser abscess incision Laser treatment of hernes, anhthous stomatitis
8 205 3 515	Laser abscess incision Laser treatment of herpes, aphthous stomatitis Surgery

7300	Tooth extraction, 1 degree of complexity
15800	Tooth extraction, 2 degree of complexity
21000	Tooth extraction, 3 degree of complexity
23990	Impacted tooth extraction, 1 degree of complexity
31990	Impacted tooth extraction, 2 degree of complexity
4 205	Suturing (less than 5)
7 640	Suturing (more than 5)
12 770	PRF procedure
5 845	Gingivectomy
26 235	Apicectomy (root apexresection) Retrograde filling of the tooth root (1 unit)
19 960	
19 795 21 380	Hemisection (root amputation) Guided tissue regeneration
23 100	Soft tissue grafting (1 site)
13 015	Frenectomy
15 000	Cystectomy
6 495	Mucosal overgrowth incision
27 900	Vestibuloplasty
28 695	Osteotomy
4 500	Preservation of hole after tooth removal (collagen sponge)
2 200	Removal of the movable part of the tooth (crown fracture)
	Periodontics
12 290	Deep scaling (per Quad)
6 600	Surgical treatment of abscess
2 100	Antiseptic or medical therapy of pathological gingival pocket
23 500	Flap procedure (per Quad)
4 100	Closed curettage of one periodontal pocket, difficulty level 1
5 200	Closed curettage of one periodontal pocket, difficulty level 2
6 000	Open curettage per gingival tooth pocket
18 700	Periodontal treatment Vector (per jaw)
37400	Periodontal treatment Vector (upper and lower jaws)
4 900	Splinting with the system Ribbond Splint-It (per tooth)
1990	Splint correction
30 610	Emdogain treatment (per tooth)
6 200	
6 200	Pericoronitis treatment by means of pocket excision
6 200 5 865	Pericoronitis treatment by means of pocket excision Periodontic treatment plan
	Periodontic treatment plan Crown lengthening
5 865 12 840	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic
5 865 12 840 15 400	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures
5 865 12 840 15 400 14 990	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis
5 865 12 840 15 400	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure
5 865 12 840 15 400 14 990 23 500	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology
5 865 12 840 15 400 14 990 23 500 66 400	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I
5 865 12 840 15 400 14 990 23 500 66 400 85 000	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II
5 865 12 840 15 400 14 990 23 500 66 400 85 000 112 000	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II Implant III
5 865 12 840 15 400 14 990 23 500 66 400 85 000 112 000 15 900	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II Implant III Healing cap
5 865 12 840 15 400 14 990 23 500 66 400 85 000 112 000 14 990	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II Implant III Healing cap Exposure of one implant
5 865 12 840 15 400 14 990 23 500 66 400 85 000 112 000 15 900 14 990 22 500	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II Implant III Healing cap Exposure of one implant Temporary implant/ mini implant
5 865 12 840 15 400 14 990 23 500 66 400 85 000 112 000 15 900 14 990 22 500 40 000	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II Implant III Healing cap Exposure of one implant Temporary implant/ mini implant Installation of a zygomatic mini screw, 1 unit
5 865 12 840 15 400 14 990 23 500 66 400 85 000 112 000 15 900 14 990 22 500 40 000 105 485	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II Implant III Healing cap Exposure of one implant Temporary implant/ mini implant Installation of a zygomatic mini screw, 1 unit Sinus lifting (lateral approach)
5 865 12 840 15 400 14 990 23 500 66 400 85 000 112 000 15 900 14 990 22 500 40 000 105 485 36 295	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II Implant III Healing cap Exposure of one implant Temporary implant/ mini implant Installation of a zygomatic mini screw, 1 unit Sinus lifting (lateral approach) Sinus lifting (crestal approach)
5 865 12 840 15 400 14 990 23 500 66 400 85 000 112 000 15 900 14 990 22 500 40 000 105 485	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II Implant III Healing cap Exposure of one implant Temporary implant/ mini implant Installation of a zygomatic mini screw, 1 unit Sinus lifting (lateral approach)
5 865 12 840 15 400 14 990 23 500 66 400 85 000 112 000 15 900 14 990 22 500 40 000 105 485 36 295 48 240	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II Implant III Healing cap Exposure of one implant Temporary implant/ mini implant Installation of a zygomatic mini screw, 1 unit Sinus lifting (lateral approach) Sinus lifting (crestal approach) Bone grafting (1 area)
5 865 12 840 15 400 14 990 23 500 66 400 85 000 112 000 15 900 14 990 22 500 40 000 105 485 36 295 48 240 96 565	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II Implant III Healing cap Exposure of one implant Temporary implant/ mini implant Installation of a zygomatic mini screw, 1 unit Sinus lifting (lateral approach) Sinus lifting (crestal approach) Bone grafting (1 area) Osteoplasty 3-D
5 865 12 840 15 400 14 990 23 500 66 400 85 000 112 000 15 900 40 000 105 485 36 295 48 240 96 565 55 500	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II Implant III Healing cap Exposure of one implant Temporary implant/ mini implant Installation of a zygomatic mini screw, 1 unit Sinus lifting (lateral approach) Sinus lifting (crestal approach) Bone grafting (1 area) Osteoplasty 3-D Barrier membrane implanation (resorbable)
5 865 12 840 15 400 14 990 23 500 66 400 85 000 112 000 15 900 40 000 105 485 36 295 48 240 96 565 55 500 19 100	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II Implant III Healing cap Exposure of one implant Temporary implant/ mini implant Installation of a zygomatic mini screw, 1 unit Sinus lifting (lateral approach) Sinus lifting (crestal approach) Bone grafting (1 area) Osteoplasty 3-D Barrier membrane implanation (resorbable) Nailing of membrane with titanium pins
5 865 12 840 15 400 14 990 23 500 66 400 85 000 112 000 15 900 40 000 105 485 36 295 48 240 96 565 55 500 19 100 95 000	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II Implant III Healing cap Exposure of one implant Temporary implant/ mini implant Installation of a zygomatic mini screw, 1 unit Sinus lifting (lateral approach) Sinus lifting (crestal approach) Bone grafting (1 area) Osteoplasty 3-D Barrier membrane implanation (resorbable) Nailing of membrane with titanium pins PTFE membrane with titanium reinforcement
5 865 12 840 15 400 14 990 23 500 66 400 85 000 112 000 15 900 14 990 22 500 40 000 105 485 36 295 48 240 96 565 55 500 19 100 95 000 59 000	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II Implant III Healing cap Exposure of one implant Temporary implant/ mini implant Installation of a zygomatic mini screw, 1 unit Sinus lifting (lateral approach) Sinus lifting (crestal approach) Bone grafting (1 area) Osteoplasty 3-D Barrier membrane implanation (resorbable) Nailing of membrane with titanium pins PTFE membrane with titanium reinforcement Application of filler material (1 unit) Alveolar ridge split Implant removal
5 865 12 840 15 400 14 990 23 500 66 400 85 000 112 000 15 900 14 990 22 500 40 000 105 485 36 295 48 240 96 565 55 500 19 100 95 000 39 925	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II Implant III Healing cap Exposure of one implant Temporary implant/ mini implant Installation of a zygomatic mini screw, 1 unit Sinus lifting (lateral approach) Sinus lifting (crestal approach) Bone grafting (1 area) Osteoplasty 3-D Barrier membrane implanation (resorbable) Nailing of membrane with titanium pins PTFE membrane with titanium reinforcement Application of filler material (1 unit) Alveolar ridge split Implant removal Individual surgical template
5 865 12 840 15 400 14 990 23 500 66 400 85 000 112 000 15 900 14 990 22 500 40 000 105 485 36 295 48 240 96 565 55 500 19 100 95 000 59 000 39 925 18 010	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II Implant III Healing cap Exposure of one implant Temporary implant/ mini implant Installation of a zygomatic mini screw, 1 unit Sinus lifting (lateral approach) Sinus lifting (crestal approach) Bone grafting (1 area) Osteoplasty 3-D Barrier membrane implanation (resorbable) Nailing of membrane with titanium pins PTFE membrane with titanium reinforcement Application of filler material (1 unit) Alveolar ridge split Implant removal Individual surgical template Prosthetics on implants
5 865 12 840 15 400 14 990 23 500 66 400 85 000 112 000 15 900 14 990 22 500 40 000 105 485 36 295 48 240 96 565 55 500 19 100 95 000 59 000 39 925 18 010	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II Implant III Healing cap Exposure of one implant Temporary implant/ mini implant Installation of a zygomatic mini screw, 1 unit Sinus lifting (lateral approach) Sinus lifting (crestal approach) Bone grafting (1 area) Osteoplasty 3-D Barrier membrane implanation (resorbable) Nailing of membrane with titanium pins PTFE membrane with titanium reinforcement Application of filler material (1 unit) Alveolar ridge split Implant removal Individual surgical template
5 865 12 840 15 400 14 990 23 500 85 000 112 000 15 900 14 990 22 500 40 000 105 485 36 295 48 240 96 565 55 500 19 100 95 000 59 000 39 925 18 010 15 370	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implantology Implant I Implant II Implant III Healing cap Exposure of one implant Temporary implant/ mini implant Installation of a zygomatic mini screw, 1 unit Sinus lifting (lateral approach) Sinus lifting (crestal approach) Bone grafting (1 area) Osteoplasty 3-D Barrier membrane implanation (resorbable) Nailing of membrane with titanium pins PTFE membrane with titanium reinforcement Application of filler material (1 unit) Alveolar ridge split Implant removal Individual surgical template Prosthetics on implants
5 865 12 840 15 400 14 990 23 500 66 400 85 000 112 000 15 900 14 990 22 500 40 000 105 485 36 295 48 240 96 565 55 500 19 100 95 000 59 000 39 925 18 010 15 370	Periodontic treatment plan Crown lengthening Removal and installation of implant supported screw fixation denture for hygienic procedures Treatment of pereimplantitis Revident injection (hyaluronic acid), 1 procedure Implant Ology Implant I Implant II Implant III Healing cap Exposure of one implant Temporary implant/ mini implant Installation of a zygomatic mini screw, 1 unit Sinus lifting (lateral approach) Sinus lifting (crestal approach) Bone grafting (1 area) Osteoplasty 3-D Barrier membrane implanation (resorbable) Nailing of membrane with titanium pins PTFE membrane with titanium reinforcement Application of filler material (1 unit) Alveolar ridge split Implant removal Individual surgical template Prosthetics on implants
